

-Buddy Club Series 3, Story 1: Places That Still Stand-

The following week, Lucas got ready to start exploring the school to see where the basement was. In time he found it, located near the garbage disposal. There, there was a door with a padlock on it with the word "Basement" printed on it. There was only one thing left to do now, wait. They were so close, yet so far away. Lucas then realized soon after the hall monitor tournament that Mica was nowhere to be seen. "What is Mr Hill playing at?" Lucas thought to himself. Still, Lucas couldn't help but think every night about what could be so important in the basement. "I guess I will just have to wait." But not everything was going as they had hoped. Lucas still knew in the back of his head that someone he knew, probably very close to his friend group, had been helping Mr Hill for probably half of the school year. Lucas had tried not to think about it, but Kaleb wouldn't let it go. "If this person, whoever it is, is still around us, they will keep finding more information about us and tell it to Mr Hill." Kaleb prompted. "Yes, but there is no way we can find out who it is, there is no evidence pointing us in any direction." Marcus noticed. "True. but that doesn't mean there isn't some kind of lead." Leo insisted. "I don't know what to think." Lucas sighed. Just as Lucas finished speaking, the bell rang. "I guess it's time to go to class." James said. The friend group then split up, and went to their classes. Meanwhile, in Mr Hill's office, Jordan walked into the room. "Mr Hill, I am still wondering when you will pay me for all the work I've done for you." Jordan prompted. "Ah yes, you will get paid, even more than extra credit once this is all over. And trust me, it will be soon." Mr Hill stated. "For the year is almost over, and the awards ceremony is in a week. My ace is ready, and so am I. I

have one final mission for you before this is all over, fire all eye hawk members and tell them they will get their extra credit on the final report card.” Mr Hill added. “Of course.” Jordan said, as he left the office. “It’s only a matter of time until I become principal.” Mr Hill whispered to himself, as he closed the door to his office and called someone that he reported to often...

The next day, Lucas went to all his classes, and did all his work, but something felt off when he got to lunch. “What feels off?” Lucas thought to himself. “Hey, has anyone seen Cody today?” James asked. “No, do you think he ran away?” Elsy wondered. “What if someone found him?” Leo fretted. The buddy club then all got down on their knees, and shined a phone flashlight in the tiny crack near their table where Cody lived. There they saw it. He was dead. “No!” Leo cried. The buddy club quickly reached inside and pulled Cody’s limp body out of it. There was something off about him. “He was poisoned.” Elsy whispered sadly. “How do you know?” Lucas asked. “The indentations on his nail suggest that he ate something that had been tainted.” Elsy said quietly. “How did this happen?” Kaleb said angrily. They then heard footsteps coming their way. It was Leim and Alyssa. “We haven’t seen Cody today, do you know where he-” Alyssa started. She then looked down at Elsy and James holding the poor rat’s limp body. “No. It can’t be.” Alyssa whispered. “Someone had to have done this intentionally.” Leim proclaimed with a sigh. “We have to avenge him then!” Lucas stated. “I’m sorry, but there is no way we can tell if someone did it against us, or if the custodial staff tried to get rid of him.” Marcus stated. “We will just have to deal with it.” Marcus

added. "I guess we will, there is nothing we can do now." James said. As the buddy club, Alyssa, and Leim wrapped Cody in a paper towel, and moved him back into the crack where he lived, they saw Issabella coming towards them. "Casper, what is it?" Kaleb asked. "I have been kicked out of the eye hawks! Along with everyone else in the group!" Casper shouted. "If he threw away everything he had, that meant that he knows what he is doing." Casper said cautiously. "We will be careful." Lucas assured. "Good, if I helped you for nothing, I would be mad, so don't screw this up, the whole school is counting on you all, even if they don't know it yet." Casper added, as she turned around and walked to another lunch table...

-Buddy Club Series 3, Story 3: The Plan-

Later in the week, Lucas realized that in two days, the awards ceremony would be happening! Lucas was told to meet at Leo's house again to discuss the full plan soon, so Lucas started getting ready to leave. When he finally got ready to leave, he walked out the front door and started walking to Leo's house. While he was passing streets, he saw a missing poster, but the worst thing about it was that there was a reward for it, and it was Leo's older sister, Stacy. Lucas tore it down without another thought. When he finally arrived, he saw so many people! There was Leo, James, Marcus, Kaleb, Elsy, Jake, Sofia, Natalie, Alyssa, Leim, Casper, and all of the old eye hawks members, Priscilla, Lily, Nick, Ryan, Hayley, Marc, and even Louie! "You're all here?" Lucas echoed, surprised they all came. "We all have a reason to stop Mr Hill, we need to do this." Leo said. "Now let's discuss the plan. Louie, you're going to be the one that keeps an eye on Mr Hill. If he gets up from the ceremony, you are going to distract him. The

chances that if he gets up, he will be after us.” Leo said. “Got it.” Louie responded. “The eye hawks group, you will be our eyes everywhere, you will be in the main places Mr Hill goes, thanks to Leim, he gathered footage from the security cameras, and narrowed down the most places he goes. Once you have information, tell Leim, and report to whomever is the one concerned.” Leo added. “Alright, we will get this done.” One of them said. “Casper, you will be the lookout for Natalie, when she gets into the office, you make sure that no one sees her.” Leo stated. “Alright, sounds like a plan.” She said. “Alyssa, you will be with Jake and Sofia ready to plan our escape. If anything goes wrong, we will give the key to you Alyssa.” Leo added. “Works for me.” She said casually. Natalie, you have the most important job of all, you will get the key out of the principal’s office and hand it to Lucas.” Leo declared. “Ok.” She said. “After all this, when Lucas gets the key, he will meet up with Me, James, Marcus, Kaleb, and Elsy. Natalie will come too. Once we get to the location of the basement, we double check everything is clear, and then we go inside.” Leo finished. “Soon we will finish what my sister had started, and bring an end to Mr Hill!” Leo shouted. Everyone then joined in, getting pumped for the plan that would arise very soon...

Buddy Club Series 3, Story 4: All Forces Unite-

The next day, in the hallways, Lucas felt like someone was watching him. “Must just be the jitters.” Lucas thought to himself. But really, it wasn’t. When Lucas looked behind him, he saw Jordan! “Looks like you're getting ready for the awards ceremony. Just know this, no one can save you. You are looking for something that is above yourself. It isn’t just Mr Hill that can do something to you. Oh no. There are way

bigger threats besides him, and if Mr Hill doesn't win, they will be after you next!" Jordan said, as he pushed Lucas to the ground. Leo then walked up to Lucas, along with everyone else. "Jordan, we can overcome you, Mr Hill, and anyone if we are together. So you just count your minutes before you and Mr Hill go down." Leo challenged, as he picked Lucas back up. "Thanks Leo." Lucas said. "We will see about that." Jordan stated, as he walked away angrily. "Don't let him discourage you, we can do this, together." Leo said. "I know." Lucas responded, as they both walked to math class. When they got inside the classroom, Ms Modrak said, "Who's excited for awards tomorrow?" "You could say I am." Lucas said. "You can say that again." Kaleb said...

-Buddy Club Series 3, Story 5: The Awards-

It was finally the awards plan day! After all this time, they would finally put this plan into action. When Lucas got to school, he saw Mr Ricardo talking with Leo. As Lucas walked closer, he heard Mr Ricardo say, "Mr Hill wants to see you." "Ok, thanks." Leo said, now looking very pale. When he passed Lucas, he just stared. "This can't be good." When Lucas got into his chair, he couldn't help but feel like the plan went wrong, but how could it, everything was playing out as it should be, he just had to trust that they made the right decision about who they thought was the traitor in their group. When class was over, he walked to math, and saw Kaleb, James, and Elsy. They all had confused expressions on their faces. "Where is Leo?" Elsy asked. "He is in Mr Hill's office." Lucas said worryingly. "Well After this class, the awards ceremony will begin." Kaleb stated. "We just have to trust that he shows up." Lucas said determinedly, even though he was super

afraid. When class was almost over, Ms Modrak started to make an announcement to the class. "Alright class, it's time that we head over to the gym to begin the awards ceremony. If you have to go to the bathroom, ask me or another teacher." She said. Then the class started walking to the gym, where the awards ceremony would take place at. When they got there, they saw Mr Hill standing next to the principal. "Where is Leo?" Lucas thought anxiously. When the class sat down, and the principal started the ceremony, he saw the other students that were in the mission, stand up and go to the teachers. Lucas nodded to James, Elsy, Marcus, and Kaleb, and they all went over to Ms Modrak. "Can we go to the bathroom?" They all asked. "Yes, but be quick." Ms Modrak responded. As they all went, they met up with Natalie. "It's time." Lucas declared...

-Buddy Club Series 3, Story 6: The Key Mission-

"Where is Leo? Shouldn't he be with you?" Natalie asked. "Yeah, where is he?" Casper asked. "We don't know, but we will have to go on without him." Lucas stated. "Now Natalie, open the principal's office with the hall monitor key." Lucas added. "Oh yeah." Natalie said, as she opened the door. When she went inside, the rest of the club sneaked downstairs, leaving Lucas, Casper, and Natalie upstairs. But for some reason, Marcus stayed put. "Marcus, what are you doing, go with the rest of them downstairs." Casper said. "I can't do that Lucas, I'm sorry." Marcus said coldly. Jordan then appeared out of Mr Hill's office nearby. "Get away from the door Natalie." Jordan instructed. "No can do," Natalie said, as she ran inside and grabbed the key off the

desk. "I have it!" She shouted. "Get it Marcus! Show where your loyalties lie, is it with them, or us?!" Jordan shouted. "I'm sorry, Lucas, but I have to do this!" Marcus said, as he then pushed Luca to the floor, and grabbed Casper by the ID! "Get out of my way!" Marcus shouted. "Why are you doing this!?" Casper asked, as she too fell to the ground. "Give me the key!" Marcus demanded. Lucas then saw Kaleb run up to them, and knock Marcus to the floor! "Cmon, let's go!" Kaleb said, as he helped Lucas and Casper up. They then ran with Natalie downstairs to get to the room they all awaited to see for so long...

-Buddy Club Series 3, Story 7 Secrets Within-

As they all ran downstairs, they heard Marcus and Jordan following suit, but they were catching up fast! "At this rate they will catch us and push us to ten ground!" Lucas shouted. "They then heard a big THUMP sound, from behind them! When they turned around to see what made the noise, it was Mica! She pushed them both to the floor! "What!? How!?" Lucas screamed. "Talk later, get to the basement!" Mica screamed after them, as they kept running in the direction of the basement near the cafeteria. When they met up with James and Elsy, Elsy realized that Jordan and Marcus were right on their tail, so Lucas threw the key to her, and she opened the door to the basement level of the building, letting everyone in before she closed the door and locked it, so Marcus and Jordan couldn't come in! "I think we are safe." Lucas gasped, since he ran so much. James then turned on the flashlight on his phone since it was so dark in there. "We made it." Kaleb gasped too. When they all finished catching their breath, they started walking down the stairs, starting to see a bright red light

illuminating the back of the basement. “What is that?” Elsy asked. “I think it’s ketchup. Look, there is a label that says, warning, do not eat.” Lucas noticed. “It must be tainted. But why?” Kaleb said. “I don’t know, but this is enough evidence to get Mr Hill arrested!” Casper stated. “Yes, but why was Stacy looking for this?” Lucas wondered. “Answers will come, we just need to be patient, here take a photo and send it to Leim, tell him to call the police.” Elsy said to James. James nodded as he went and took pictures of the tank and sent it to Leim. “Oh, so that’s what was in the basement!” The news reporter’s friend said. “Yep, but there is still more, listen.” The news reporter said. Meanwhile up above where Marcus and Jordan were at, Jordan banged his head on the door. “You disappointed me Marcus, just know that.” Jordan then started running towards Mr Hill’s office, calling Mr Hill. “It’s over Mr Hill, we’ve lost. They got inside.” Jordan announced. “It’s not over until I say it’s over.” Mr Hill snapped as he hung up, leaving Jordan speechless...

-Buddy Club Series 3, Story 8: Eye Of The Storm-

When Lucas and his gang opened the door to leave the basement, they saw that the police had arrived, “Everyone hands up, we need to address the situation before anyone leaves!” A police officer stated. It was total madness! An hour later, after all the investigations, Lucas and his friends were sent to go home. Mr Hill was arrested, but for the reason why, it was still not addressed to the public yet. The school was closed a week later due to health violations. When Lucas found out what happened to Leo the next day after the awards ceremony, he was bewildered! Mr Hill and Jordan locked Leo in Mr Hill’s office closet! A week after the school was closed,

Lucas was walking by the TV in his house, and saw the investigation of Mr Hill's case. He listened and heard, "As most of you know, the school Rudolph Gordon Middle was closed due to health violations. But the story doesn't end there. A group of students took it upon themselves to investigate the vice principal, Mr Hill, finding out that huge ketchup tanks were hidden in the basement. But upon further investigation and the interrogation of Mr Hill, we understand it all. Mr Hill had tainted the ketchup, and was planning to use the ketchup to make the principal of the school, Principal Lowery, very ill, so he could be the runner up for the new principal. We are still not sure when he was planning to give the principal this tainted ketchup, but one thing for sure, if those kids didn't find out the stuff they did when they did, things would be a lot different today. So for the viewers and listeners out there, If you see Lucas Enow, James Ferraro. Kaleb Malo, Elsy Franca, and Leo Walmsley, please thank them for what they did." The police sheriff said on the TV. Lucas smiled to himself, as he walked away from the tv...

-Buddy Club Series 3, Story 9: Aftermath-

The next day, Lucas was scheduled to meet his friends at the park, to have lunch there. It was finally the beginning of summer, and Lucas was also excited for the summer camp he and his friends would go to later in the summer. When he saw Leo and his friends, he waved and walked over to them. "It's a nice day today." Kaleb said. This was the first time Marcus hadn't been with them. The people that were with Mr Hill, the kids to be specific, weren't charged, but just disciplined. Lucas and his friend group hadn't seen Marcus since then. "It's not over." Leo randomly spoke. "Yesterday, I got a note in the mail." Leo stated. "What did it say?" Lucas asked. "It's about the Fountain Inn Vase." Leo prompted. "The Fountain Inn Vase? I totally forgot about that." James

said. "Yeah, me too." Elsy added. "Are you sure you want to know what it said?" Leo asked. "Leo, we are here to find out what Stacy was trying to figure out, if it's not over, tell us." Lucas said. Leo took in a great big sigh. "Well don't say I didn't warn you." Leo pulled out a note from his pocket and passed it to Lucas, it said, "Good job buddy club, you took down Mr Hill, I'm surprised you could. In the end though you know nothing, you are still in the dark, struggling to find something that can help you. But I will help you, I, Ms Modrak, will give you a clue, but know, Mr Hill was right about one thing, some things are best left forgotten. But since you want to know so badly, so badly that you took down Mr Hill, to know what Stacy was trying to do, I will give you a clue. Fountain Inn High, has more up their sleeve than you think. Find Sarah, you find her, you will know the truth. I will be around, watching what you do, so keep that in mind. That's all that I needed to say, and please, just watch your back, we don't want the same thing that happened to Stacy happen to you." And like that, the note ended. Lucas stood there speechless, "Ms Modrak was the Fountain Inn Vase all along?" Lucas said aloud. When he looked around everyone else was surprised too to find this news. "I guess so." Leo said quietly. "We have had a crazy year, but I think that this next year will be even crazier. We will stick together, right?" Leo asked. "Right." Lucas and everyone else shouted. There was one thing for sure, His life was just going to keep getting crazier.

“So that’s how Cody died, he must have eaten some of the ketchup!” The news reporter’s friend said. “What?! That’s the thing you got from the end of the book?!” the news reporter shouted. “Well yeah, and that Ms Modrak was in the Fountain Inn Vase the whole time. Do you know what happened to Lucas after middle school?” the friend asked. “Yes, because if you didn’t catch it, I’m in the story.” The news reporter stated. “Well you go by your last name here, which yours is, Enlow, so,” The friend started. “Wait, Your Lucas?!” the friend screamed. “Yes, and there is more to this story, but that’s for another time.” he said. “I think you’re right, it is getting late anyway, tell me the next part of the story some other time.” the friend called out as he walked out of the journalist building into the dark night.
